CORNELIUS VERMUYDEN SCHOOL

Respect. Resilience. Responsibility

August 2023

Dear Parents/Carers and Students

I do hope that you are enjoying the summer holidays. I would like to take this opportunity to congratulate our students on the many successes that they achieved last year during difficult circumstances for us all. You will have a chance to read about these in our newsletter, on Twitter and on the website.

I am also writing to confirm arrangements for the start of the new academic year and to provide you with information that may help in preparing for the return to school.

Start of Term Arrangements

Intervention

Year 11

Departments will be offering extra after-school sessions throughout the year to support Year 11 students as they head towards their exams. These will be held between 2.40 pm and 3.40 pm. Students that are not making the required progress towards their target grades will be specifically targeted and expected to attend. It is crucial in Year 11 that students take all opportunities to attend any extra sessions offered so that they are fully confident and on track for success in their GSCE exams.

It is also fully recommended that where coursework is part of the subject, this is completed to the highest possible standard as early as possible so that students can revise towards their exams with as much focus as possible. A successful Year 11 student is organised and in control of their workload, therefore the school fully recommends that all students have revision timetables in place for the start of the new academic year. Students will receive support constructing these timetables during 'prep' time with their tutor, however, if they require further assistance, they should speak to Mr Lill as early as possible in September 2023.

Enrichment

The school intends to run an extensive enrichment programme, where a variety of subjects will run clubs before, during or after school. The sessions will be advertised in the new academic year. I would encourage all students to take part in the enrichment programme where possible and, where students have a particular interest or passion, support the leadership of an enrichment club with a teacher. Last year, several students even set up their own clubs such as the Debating Club, LGBTQ+ Club and the Dungeons and Dragons Club. We are happy to support students with running clubs wherever their passions lie.

From the start of term, the following timetable will commence: -

Behaviour Up-Date

Following the successful trial of our new behaviour system on Edulink, we would like to inform you on a few minor changes for 2023/24.

Lesson Removals C3 (3 Behaviour Points)

If a student has gone through our classroom conduct system within the classroom (Verbal Warning, C1, C2 & C3) they will be collected by a member of 'On-Call' and taken to the lesson removal room. They will now be expected to:-

- Complete either the work from the lesson or work set by the teacher.
- If removed Period 1 or 2, serve an immediate break time correction.
- If removed Period 3 or 4, serve an immediate lunch time correction.
- If removed period 5, serve an immediate after school correction.

Parents will continue to be notified on each occasion. Further changes will be outlined within the full behaviour policy in September.

House Points & Rewards Up-Date

We have adjusted the house point thresholds to be in line with our behaviour policy. House points can be tracked on Edulink under 'Achievement'. House points will be awarded for:-

Uniform and Jewellery

The wearing of professional school uniform prepares our students for their future career. In many lines of work, corporate and formal attires are required. It is essential that all students are aware of the school's expectations and parents support these fully. Cornelius Vermuyden staff will adopt a zero-tolerance approach to non-compliance to the school uniform.

The following items of uniform must be worn:-

- ✓ Black blazer with school logo.
- ✓ Plain black ankle-length trousers suitable for business wear.
- ✓ Skirts must be black and pleated and no more than 5cms above or below the knee. ***Skirts should not be rolled at the waist at any time***.
- ✓ White shirt, which must be tucked in at all times with the top button fastened.
- ✓ Black jumper with gold v-neck (if required; no other jumper should be worn).
- ✓ School tie, fastened correctly with the logo showing.
- ✓ Plain black ankle-length socks **or** neutral or black tights (patterned tights are not permitted).
- ✓ Plain black shoes, office-style (no white soles or trim).
- ✓ An outdoor weatherproof coat can be worn outside of the school building.
- ✓ In cold weather, students can wear hats and scarves outside of the school building; these should be plain in colour.

The following items of clothing are not permitted:-

- ✗ Jeans, tight-fitting trousers, flared-trousers and leggings (even when combined with socks).
- ✗ Trousers with zipped pockets and zips for decoration.
- ✗ Trainers, trainer-style shoes or sports-branded shoes, Creatives, Converse trainers, Vans, canvas pumps, multi-coloured shoes or boots above the ankle. **Shoes should be plain black leather or leather look.**
- ✗ We do not allow students to wear hooded tops or sweatshirts whilst on school site, this includes during morning routine and break times. We also do not allow denim or leather jackets.

- ✗ Baseball caps, scarves and hats with football logos are not permitted.

Jewellery and Make Up

- ✓ One single stud in each ear is permitted; the stud must be worn in the lower part of the earlobe.
- ✓ No other jewellery is allowed.
- ✓ Inexpensive watches are allowed. This does not include Smartwatches, which are not allowed.
- ✓ Students are not permitted to use unnatural coloured hair dye, including coloured highlights or 'dipping'.
- ✓ If hair extensions are worn, no beading is permitted. Extensions must also be in a colour that naturally blends with the hair.

Please be aware of the following in relation to jewellery and make-up:-

- ✗ Students wearing studs in their ears other than in their lobes will be expected to remove them.
- ✗ Other body piercings are not permitted.
- ✗ We do not permit visible body art.
- ✗ Coloured nail varnish is not allowed. This includes acrylic, gel overlays, shellac and other types of nail varnish.
- ✗ Students are not allowed to wear fake nails or false eyelashes to school. This includes fake nails and false eyelashes that have been cut down.
- ✗ Make up should not be worn.
- ✗ Fake tan should not be worn.

PENNUK in Benfleet is the school's uniform provider and is able to offer the complete range of uniform and sports equipment. Their contact details are:- PENNUK, 15-17 Kents Hill Road, Benfleet, Essex, SS7 5PN, telephone: 01268 751724; email sales@pennuk.com;
website: https://www.pennuk.com. All items of uniform should be clearly marked with the name of the student.

Prohibited items of clothing and jewellery will be confiscated and must then be collected by the parent/carer. Where a student fails to meet the agreed policy and the issue cannot be resolved immediately, they will not be permitted to attend their normal lessons. Instead students will be placed in internal suspension to complete their work until the uniform issues have been resolved and a meeting with the parent/carer has taken place. This consistent approach will be applied to all students, across all year groups. Whilst we appreciate notes from parents/carers informing the school of uniform issues, the only circumstance where there will be any variation on this matter will be in cases where a medical letter is provided by a GP.

If you are in any doubt, please refer to the uniform policy on the school's website, or contact the school directly, before purchasing items of uniform.

Mobile 'Phones

The school fully understands that in today's society parents like their child to have access to a mobile device for communication. The school's position, however, is a very straight forward one - no mobile 'phone should be visible from the moment a student enters the front gate until the moment they exit the front gate. Staff have been clearly instructed not to search for them, but to act consistently when devices are visible. If a student wishes to bring a 'phone into school, it should be switched off and placed within their bag before they enter the school site. Students will be reminded that blazer pockets and trouser pockets should not contain mobile 'phones as that makes them visible. All 'phones should be turned off and placed in the student's school bag. It must remain off for the duration of the school day and only be switched back on once the student has left the school site. Any student seen with a mobile 'phone will have it confiscated and parents will need to collect it from the school office. Mobile 'phones will NOT be returned to students.

Parents should be reassured that when students need to make an urgent 'phone call, they can request to do so at Pupil Services or the main Reception. Our staff will assess the urgency of the call. Parents can also contact their children through Pupil Services or the main Reception.

The school's insurance policy does not cover damage, loss or theft of 'phones, bikes or other items. It is the responsibility of the parents/carers for any belongings or valuables that a student brings on to the school site.

Punctuality

I politely remind all stakeholders that punctuality is key. Our expectation is that you arrive at school **before** 8:05am each day and line up in tutor groups on the correct MUGA (Years 7 & 8 Lower MUGA; Years 9, 10 &11 Upper MUGA). If a student arrives late to school, they will be given **3 behaviour points** and a break time correction on the same day. If a student is late on a regular basis, a parent meeting will be called to resolve the matter. We would like to thank you for your support with this very important matter.

Equipment

Every student must make sure that they bring the correct equipment to school and to every lesson. All equipment should be placed in their equipment bag, which will be provided on the first day back. The equipment bag ensures that all resources needed for each lesson are easily accessible at the start of every lesson. The expectation is that students have their equipment bags out during morning tutor

where it is checked. The equipment bag should be in hand and visible between lesson change-overs and when returning to class after break times.

The equipment bag should contain:-

Essential

- Fully equipped pencil case;
- School planner;
- Achievement card.

Recommended

- Reading book;
- Knowledge Organiser (Y7,8 and 9 only);
- Pink 'Look, Cover, Write, Check' Book (Y7,8 and 9 only).

The equipment required for the pencil case is as follows:-

- Two black or blue pens
- Pencil (sharp enough to use)
- Pencil Eraser
- Pencil sharpener
- Ruler
- Green pen
- Scientific Calculator

Students receive a weekly achievement card so that we can celebrate their success. This must be on them at all times in school and kept in their equipment bags.

Homework

As a school, we strongly believe that homework is an integral part of a student's learning journey. Learning should take place in and outside of the classroom and provide students with the opportunity to increase their knowledge and skill set. Homework should consolidate and extend work covered in class or prepare students for the high-level recall abilities that they will need to be successful in an examination.

Having the responsibility of needing to meet deadlines promotes self-discipline, an attribute which will impact on schoolwork and beyond. All students will be expected to check Edulink daily for homework that has been issued in class. All parents and carers have access to Edulink so that you can see the homework set by the school and support your child with managing their workload. Any issues with homework should be referred to the class teacher in the first instance.

Students in Years 7 – 9 will use their knowledge organiser daily to recall essential information from all of their taught subjects. All work will be completed in their self-quizzing book. Students will also complete 45 minutes of online maths work weekly and 30 minutes of extended writing in English. Science homework involves using Tassomai. Students must achieve 4 out of 7 daily goals in order to complete their homework.

Students in Years 10 and 11 will receive homework from every subject each week. Each piece of homework should take between 1 hour to 1 and a half hours.

To support students with homework, we run a homework club every afternoon in the library from 2.40 pm to 3.40 pm. Students who attend will have access to computers and are provided with a quiet and supported space to work if needed.

If a student has not attempted their homework or not completed it to a reasonable standard as deemed by their teacher, they will receive **two behaviour points**.

Attendance

The Cornelius Vermuyden school has high expectations of student attendance and is currently continuing to implement the DFE guidance, 2022 and the Local Authority's 'Let's talk we miss you', guidance, which have been designed to help schools improve attendance to above pre-COVID levels.

As a school, we believe that encouraging good school attendance is one of the most powerful ways you can prepare your child for success, both in school and in life. By making school attendance and punctuality a priority, you will be helping your child to maximise their potential and develop important socials skills.

How We Measure Attendance

Student attendance is measured as a percentage. This refers to the proportion of days that a student attends out of the 190 possible school days per year. The poster below shows the number of days and lessons that a student will have missed were their attendance to fall below 100%.

At Cornelius Vermuyden, our expectation is that a student's attendance does not fall below 95%. Students whose attendance remains between 97% and 100% are in the best position to achieve the top grades in their GCSEs. Students whose attendance drops below 94% will have missed 2 weeks of school. This has a significant impact on GCSE results:-

- Students with no absence are over twice as likely to achieve 5 or more GCSEs at grades 5-9, including English and Mathematics.
- The students with the highest levels of attendance are almost 5 times more likely to achieve 5 GCSEs at grades 5-9, including English and Mathematics.
- Students with a rate of attendance lower than 95% have a 50% lower chance of gaining 5 or more GCSEs at grade 5-9, including Maths and English.
- Only 35% of students whose attendance is lower than 90% gain 5 or more GCSEs, including English and Maths.
- Students with 100% attendance have almost a 75% chance of gaining 5 or more GCSEs at grades 5-9, including English and Maths.

How You Can Support Attendance

If your child is having difficulties attending school, please contact our Attendance Team via either the Edulink app or by phoning the school as soon as possible, as most issues can be dealt with very quickly. The school's Attendance Team will continue to make home visits to students who are not in school daily when we have no information regarding their absence.

Parents with students who are persistently absent must:-

- Work with the school, outside agencies and the local authority to help them understand the barriers to attendance and enable the school to provide early intervention.
- Proactively engage with the support provided.
- Continue to communicate with the school.

In addition to these measures, the Government/Local Authority will support attendance through the following:-

- Students with school based attendance difficulties will be support by a range of strategies that meet their needs.
- Parent contracts will continue to be used to support attendance.
- Weekly information on Attendance will be shared with the Government and parents.
- Fines - prosecutions will be processed more quickly to engage high levels of legal support.

The full details of the government's changes to support attendance and how they may affect your son/daughter can be found at:-

School Trips

A polite reminder that a student who has previously been formally excluded will not be permitted to attend any residential or school trip, unless directly authorised by a senior member of staff. Please reinforce the consequences of serious negative behaviour with your child.

School Meals

Cornelius Vermuyden has gone to great lengths to improve the meals that we offer. Our in-house catering service offers a healthy, varied and exciting menu and is staffed by an innovative and creative team, led by a very experienced Catering Manager. They produce excellent food, using fresh ingredients sourced locally where possible, which is freshly cooked on-site.

Cornelius News and Website

For those of you with internet access, we would encourage you to look at the school's website. The website provides easy access for information about the school (e.g. policies, staff, curriculum, newsletters, etc.) and the activities that take place. The web address is: www.corneliusvermuyden.com.

The school also has a Twitter account under the name of @CorVermuyden. Our Twitter account is updated regularly and includes key events from the school day, as well as important notifications and messages.

Parents' Forum

We would like to continue to engage more with parents to examine ways that we can improve on our present practices and procedures regarding communications between home and school. We already have acted on feedback where there has been a breakdown in communication. Our website is now designed to provide both parents and students with much more relevant and more easily accessible information about the school.

Last year, we formed a small group of interested parents to examine the issues of communication, homework and other school issues from their perspectives in order to secure future improvements. This was very successful, and I would like to thank all the parents who gave up their free time to meet and discuss school issues. I would like to continue with this group and recruit new parents. If you feel that you are able to contribute to this group or would like to nominate someone who could be useful, then please contact Mr Hibben (Assistant Headteacher).

Dates For Your Diary

Please find attached a list of holiday dates and training days. Any in-year changes will be notified via the school's website.

Contacting the School

If you wish to contact the school, please dial 01268 685011 and follow the instructions, holding to speak to reception. General enquiries can be made via admin@corneliusvermuyden.com.

Additionally, I would like to remind parents/carers that no one will be permitted onto the school site without an appointment. I politely request that parents/carers acknowledge this request to prevent the front office staff from turning them away. It is imperative that parent/carers contact their child's Head of Year regarding any issue, for which appointments may be granted.

Safeguarding Lead – Mr M Sweeny - msweeny@corneliusvermuyden.com
Deputy Safeguarding Lead – Mrs K Brady – kbrady@corneliusvermuyden.com
Mental Health Lead – Miss J Goodger - jgoodger@corneliusvermuyden.com

We also have several Deputy Designated Safeguarding Leads, who can be easily identified and approach by students as they wear a yellow lanyard. Our new virtual DSL board in school also signposts students to various avenues of support, should they require it'.

I would also like to remind parents/carers that, for safeguarding and health and safety reasons, you are not permitted to drive onto the school site to drop your children off for school, or to collect them, unless disability access is required and then using the allocated areas only. Would you please drop students off at the end of Dinant Avenue, using Central Avenue or Church Parade, and do not drive up to the school gates as this causes congestion in Dinant Avenue and a risk to student safety.

Thank you for your help, support and co-operation with all of these matters and I look forward to seeing the students again in September. Do enjoy the remainder of the holiday.

Yours faithfully

Mr I Hockey
Headteacher
