

## Uniform and Dress Code Policy

2020/21

## **Introduction**

The Uniform and Dress Code Policy has been drawn up in consultation with students, parents, carers, staff and groups representing different faiths within the Cornelius Vermuyden School.

**Aims of the Uniform and Dress code policy are linked to our vision for the school which focus on Respect, Responsibility and Resilience and the following key areas:**

- Challenge and value each student
- Promote independence
- Build positive relationships
- Act as positive role models
- Promote confidence
- Strive for excellence
- Engage in learning
- Self-discipline and tolerance
- Being involved in school life

In this way, the Uniform and Dress Code Policy contributes to the overall aims of the school. Note: The policy also applies to those school visits when uniform is to be worn.

**Prohibited items of clothing and jewellery will be confiscated and must then be collected by the parent/carer. Where a student fails to meet the agreed policy and the issue cannot be resolved immediately, they will not be permitted to attend their normal lessons. Instead, alternative on-site arrangements will be implemented to allow students to complete their work until the uniform issues has been resolved and a meeting with the parent/carer has taken place. This consistent approach will be applied to all students, across all year groups. Whilst we appreciate notes from parents/carers informing the school of uniform issues, the only circumstance where there will be any variation on this issue will be in cases where a medical letter is provided by a GP.**

## **Labels**

All uniform should be marked in permanent pen with the owner's name or should have name tags attached.

## **Cost of Uniform**

We want to ensure that the cost of uniform is affordable for all families and does not lead to students feeling socially excluded or unable to afford other necessities. Parents/carers who are unable to provide their child with the required items of school uniform should contact Mr Hibben, Assistant Headteacher. Such approaches will be handled with discretion and sensitivity.

## **Enforcement of the Uniform Policy**

- It is the responsibility of parents/carers to ensure that their child comes to school in the correct uniform (see the Home School Agreement). All staff are responsible for ensuring that students are correctly dressed in class and elsewhere on the school site.
- The Headteacher is the final arbiter in all matters of uniform and dress.

## **Issues Arising from the Policy**

Requests to vary the uniform requirements for medical reasons will be sensitively considered upon receipt of a letter from a doctor.

Any requests for the wearing of religious dress will be considered upon request by the Headteacher.

## **Monitoring and Evaluation**

The School recognises the importance of value for money and good supply arrangements. The supplier's costs and quality of all items of uniform are reviewed annually to ensure that good quality clothing is provided at an affordable price and is available easily. Parents, carers, students and staff are consulted regularly, and no less

frequently than every two years, on their views in these respects.

Parents and carers will be advised of any price, quality or supplier changes designed to maintain value for money and good supply.

The school also recognises the importance of stability in the Uniform and Dress Code Policy. Therefore, the policy will be reviewed by the Senior Leadership Team every two years. Only in exceptional circumstances will the policy be reviewed after a shorter time interval.
